General Award, Contest Category

Each feature has been designed with the basic (general-purpose) entry / Judge / Management process in mind, regardless of the award field.

You can try out our award management software [basic solution](#).

Category Sponsor

Check the award category you are applying for and fill out your basic information.

Click "Download blank entry PDF for reference" under the "Category" column to check all input fields.

Once you've finished, click "Save + Next" and proceed to the next section.

Title of submitted work

Address

Example: 1-1-1 Marunouchi, Chiyoda-ku, Tokyo 100-0005

Name of person in charge

Please enter the name of one person in charge.

Mail Address

Please enter the email address of the person in charge.

TEL

The first round of judging will be based on the content you create in this tab.

Once you've finished creating your work, click "Save + Next" and proceed to the next section.

Product name

Product Tagline (optional)

Submitting a product tagline is optional.

Product images (optional)

Please upload an image file. *Supported files are as follows: Images: gif, jpeg, jpg, png, tif, tiff, ico, webp, avif

Product Overview

1000 characters

The initial screening will be based on the content of the product summary.

Gallery display availability

☐ Display Approval

☐ Display not approved

Select whether or not you want to display the gallery.

Website

The second round of judging will be based on the content you create in this tab.

You will be scored (marked) based on the items you create.

Your review comments and score will be provided as feedback regardless of whether you win an award or not.

Each field can be written in [Markdown](#).

Once you've finished creating your entry, click "Save + Next" to proceed to the next section.

Product background

2000 characters

Please describe the background to the product development. You may include this in the "Product Details" section. *If so, please write "Included in product details" in the field.

Product Detail

Please upload a PDF file that summarizes the product details (such as product contents, features, functions, performance, quality, advantages, marketability, etc., as well as diagrams, tables, photos, etc.). *Format is optional. Existing explanatory materials or leaflet PDFs can also be used.

Future plans

3000 characters

Please describe your future plans for the product (sales targets, business Ecosystem, investment plans, etc.). You may include this in the "Product Details" section. *If so, please write "Included in product details" in the description field.

Website URL (optional)

Please enter the URL of the product-related web page.

Please create content that reinforces and supplements the product overview and details.

The content you create will not be scored.

You can use Markdown notation in each field.

Once you've finished creating, click "Save + Next" and proceed to the next section.

Organization website URL (optional)

Please enter the URL of your organization's web page.

movie (optional)

If you have a video related to the product, please upload the file. *File size is unlimited.

URLs of newspaper articles, etc (optional)
